**NOTE:** For FY 2014-2015, the Board did not approve a step increase for Custodians. The scale has been adjusted to show the increase in years of service to be the same salary level for 2013-2014. For example, an employee that had 16 years in 2013-2014 made \$10.04 per hour (\$19,837 annually). For FY 2014-2015, that employee would have 17 years at the same compensation (\$10.04 per hour or \$19,837 annually).
