

Community Field Day

This year we wanted every Little Chief to have the opportunity to have a variety of snacks during field day free of charge. We are asking for each child in the school building to bring in specific items for his/her grade level. Every child participating in field day will be able to receive a bag lunch and “free” field day snacks. In order for this to be successful, we need your help. Please send your goodies to the school as soon as possible. Thank you for your continued support of McCormick Elementary!

K4 & K5- 1 pack of Individual juice boxes
1st Grade-1 Bag of Individual wrapped candy or gummies (No nuts due to allergies)
2nd Grade- Little Debbie cakes or cookies
3rd Grade- 1 bag of chips
4th Grade- 6 pack of Gatorade or sports drinks
5th Grade- 12 pack of water bottles

Principal's Message

MES Parents and Guardians,

We have only four weeks left of school! So many wonderful things still lie ahead, including field trips, 5th grade promotion, Kindergarten promotions, honors assemblies, to name a few. We are also busy with all kinds of exciting educational opportunities.

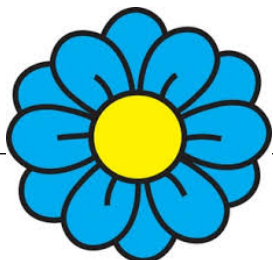

Our Relay For Life-MES Pageant raised over \$9,000 so far this year, another record for us! The community support for our school is amazing, and we will work together to do great things for kids.

Our statewide testing is underway in ELA and Math for grades 3 – 5 and Science and Social Studies for grades 4 -5th. We celebrate their hard work this year and all of the learning taking place. We also look forward to what lies ahead in the month to come.

We want to let you know about Field Day, which is a huge event here. Field day is a **privilege** and we will hold our students accountable for their academics and behavior. Students in our upper grades (tested grades) will only be allowed to attend Field Day only if they have their academics up to date, no major referrals and/or only 2 minor referrals. We will be sending home reminders next week. Please make sure if they have missing assignments, they complete their missing assignments. A final notice will be sent home and phone calls will be made. We appreciate your cooperation in advance and support.

As always, if you have any questions or concerns, please feel free to contact the school at 864-443-2292.

See you at one or more of the many upcoming events!
